

ANCC proudly offers certification for

Clinical Nurse Specialist in Adult Health

The Clinical Nurse Specialist (CNS) in Adult Health Nursing is a registered nurse prepared in a graduate level adult health (medical-surgical) clinical nurse specialist program to provide advanced care to adults. The Adult Health CNS has advanced expertise and knowledge of complex adult medical-surgical health problems and uses advanced diagnostic and assessment skills and interventions to manage and improve patient care. Using theory and research, the Adult Health CNS considers all influences on a patient's health status and the related psychosocial and behavioral problems arising from the patient's altered physiological condition. The Adult Health CNS practices in diverse settings including primary care, acute care, and long-term care and is actively engaged in education (e.g. patient, staff, students, and colleagues), case management, expert clinical practice, consultation, research, and/or administration.

Statement of Understanding

I hereby apply for certification offered by the American Nurses Credentialing Center (ANCC). I understand that I am subject to all requirements of certification as described in this catalog and that certification depends on successfully completing specified program requirements. If certified, my name will be included in the official listing of certified nurses.

I authorize the Commission on Certification to make whatever inquiries and investigations that it deems necessary to verify my credentials and professional standing. I expressly acknowledge that information accumulated by ANCC through the certification process may be used for statistical, research, and evaluation purposes and that ANCC may enter into agreements to release anonymous and aggregate data to schools or external researchers. Otherwise, subject to the mailing list authorization, all information will be kept confidential and shall not be used for any other purposes without my permission.

To the best of my knowledge, the information on this application is true, complete, and correct. I attest by my signature that I meet all eligibility requirements for certification, in effect for the year in which this application is made as stipulated in the most current requirements on the ANCC website: www.nursecredentialing.org I attest by my signature that I will maintain an active registered nurse licensure throughout the entire period during which I am certified. I understand that any misstatement of any material fact submitted upon application for certification may be sufficient cause for ANCC to bar me from the examination, to invalidate the results of my examination, to withhold certification, to revoke certification, or to take other appropriate action.

I hereby attest that I meet the eligibility criteria as stated on the front of this brochure and ANCC website for this certification exam.

(Applications received without a signature incur a delay in processing which will cause a delay in the review of your application and ability to take a certification examination.)

Exam Preparation Resources

Review Seminars

Review Seminars for certification exams are available for fifteen different nursing specialties at various hospitals and schools of nursing across the country. Participants receive contact hours. Seminar schedule and registration at: www.nursecredentialing.org/cert/revseminars.html

Study Groups

Using the content from the seminars, the faculty lecture on the material during several telephone conference calls scheduled during a specific time period. Look for the "Study Group" courses in the seminar schedule. Participants receive contact hours. Study Group schedule and registration at: www.nursecredentialing.org/cert/revseminars.html

On-Line Narrated Review Courses

Our On-Line Narrated Review Courses contain the same content as our popular Review Seminars, with the voice over of an instructor talking the student through the material. After you register for the course, you will have three months in which to complete the materials. Participants receive contact hours. For more information and to register: www.nursecredentialing.org/cert/webcourses.html

Review and Resource Manuals

Written by nursing experts in each specialty, these manuals help candidates prepare for a variety of certification exams by enhancing your critical thinking skills and identifying strengths and weaknesses. Contact hours available on-line for an additional fee. Order manuals at: www.nursecredentialing.org/cert/revmanuals.html
