

# Clinical Nurse Specialist in Pediatrics

**ANCC proudly offers certification for**

## Clinical Nurse Specialist in Pediatrics

The Clinical Nurse Specialist in Pediatrics (CNS) is a registered nurse prepared in a graduate level pediatric clinical nurse specialist program or an accepted equivalent to provide advanced care for children and their families. The CNS demonstrates an in-depth understanding of the complexity of pediatric health care and problems as well as advanced interventions to manage and improve care for the child and family. Using theory and research, the CNS's considers all influences on a child's health status and the related psychosocial and behavioral problems arising from the child's altered physiological condition. The CNS practice occurs in diverse settings such as primary care, acute care, community, rehabilitation, and long-term care and is actively engaged in education (e.g. patient, staff, students, and colleagues), case management, expert clinical practice, consultation, research, and administration.

### *eligibility criteria*

- > Hold a current, active RN license in a state or territory of the United States or the professional, legally recognized equivalent in another country.
- > Hold a master's, post-master's, or doctorate from a clinical nurse specialist in pediatrics program accredited by the Commission on Collegiate Nursing Education (CCNE) or the National League for Nursing Accrediting Commission (NLNAC). A minimum of 500 faculty supervised clinical hours in the Pediatrics CNS role and specialty must be included in the educational program. This Pediatrics CNS program must include course work in:

## Statement of Understanding

I hereby apply for certification offered by the American Nurses Credentialing Center (ANCC). I understand that I am subject to all requirements of certification as described in this catalog and that certification depends on successfully completing specified program requirements. If certified, my name will be included in the official listing of certified nurses.

I authorize the Commission on Certification to make whatever inquiries and investigations that it deems necessary to verify my credentials and professional standing. I expressly acknowledge that information accumulated by ANCC through the certification process may be used for statistical, research, and evaluation purposes and that ANCC may enter into agreements to release anonymous and aggregate data to schools or external researchers. Otherwise, subject to the mailing list authorization, all information will be kept confidential and shall not be used for any other purposes without my permission.

To the best of my knowledge, the information on this application is true, complete, and correct. I attest by my signature that I meet all eligibility requirements for certification, in effect for the year in which this application is made as stipulated in the most current requirements on the ANCC website: [www.nursecredentialing.org](http://www.nursecredentialing.org) I attest by my signature that I will maintain an active registered nurse licensure throughout the entire period during which I am certified. I understand that any misstatement of any material fact submitted upon application for certification may be sufficient cause for ANCC to bar me from the examination, to invalidate the results of my examination, to withhold certification, to revoke certification, or to take other appropriate action.

I hereby attest that I meet the eligibility criteria as stated on the front of this brochure and ANCC website for this certification exam.

*(Applications received without a signature incur a delay in processing which will cause a delay in the review of your application and ability to take a certification examination.)*
